• **V5 6601 WEIGHT VARIABLE**

Originally, the data material was card weighted, i.e. some cases occurred more than once. The duplicate cases have been removed (on the basis of a comparison of the entire case after conversion to character format), and a number has been inserted in the 'original' case indicating the number of times it occurred in the card weighted data file.

- **V17 6601 PORNO LITERATUR.LAW**

- [Special question, omnibus](#)

- 50. Especially during the past year, the subject of publishing pornographic literature continuing to be considered illegal or not has been discussed a great deal. There are those who believe that the law should be abolished and that pornographic literature should both be allowed to be written and published. May I hear your opinion?
